

# CREATING EQUITABLE ACCESS TO FOOD ASSISTANCE

## - Our solutions to hunger -

### Research & Data

By analyzing the available food assistance, current gaps, and opportunities, we develop data to identify solutions.

Our research provides all stakeholders with a clearer understanding of hunger in San Diego County.

Publication with our data analysis, maps and dashboards on hunger relief available to providers, elected officials and the public

### Education & Outreach

We eliminate barriers and increase participation in food assistance programs by providing training, resources and technical assistance to partner agencies who guide low-income residents through the application and enrollment processes.

Our Food Assistance flyer provides a description of each food assistance resource and is available in 13 different languages

### Policy & Advocacy

We coordinate local advocates and act as a resource for policymakers by providing research summaries, policy analyses, and case studies of San Diego County to inform their policy decisions.

###

Founded in 1974, the San Diego Hunger Coalition is a 501(c)(3) organization that leads collaborative action to end hunger supported by research, education and advocacy. Its vision is that everyone in San Diego County has enough food for an active, healthy life.
