

# San Diego Board of Supervisors District 5 Nutrition Insecurity Dashboard: December 2023

**What is "nutrition insecurity"?**  
 "Nutrition insecurity" is not having reliable access to 3 healthy meals a day. San Diego Hunger Coalition estimates the nutrition insecure population to be households with income below 200% of Federal Poverty Level (\$60K/year for a family of 4). Research indicates this to be a conservative estimate of the population needing food assistance to obtain adequate daily nutrition.
