Second Annual State of Hunger

San Diego Hunger Coalition presents the reality of food insecurity during COVID-19 and next steps towards a Hunger Free San Diego.

San Diego, November 17, 2020 – Hunger Free San Diego, facilitated by San Diego Hunger Coalition, will host its **2nd Annual State of Hunger**. This year's event will take place online through Zoom and is free of charge. During the 90-minute webinar, the San Diego Hunger Coalition and Hunger Free San Diego Advisory Board will release critical up-to-date data on hunger during COVID-19 and what the local hunger relief sector has done and is doing to address the precipitous rise in food insecurity in San Diego County.

2nd Annual State of Hunger

November 17, 2020
10:00 am – 11:30 am

Register & info:

sdhunger.org/state-of-hunger

Questions that will be answered:

- **Who is Hungry and Why?** *A detailed look at the latest data on hunger in San Diego County and the impact of COVID-19 on families and households.*
- **What are the current trends & opportunities?** *See a snapshot of our hunger systems' current output and hear information on how to address the food insecurity crisis through 2021 with innovative approaches and best practices.*
- **How can communities get involved in the fight to end hunger in their own neighborhoods?** *A new initiative will be unveiled that works side-by-side with local communities and other sectors to provide equitable access to food assistance resources in San Diego County.*

###

For more information on the State of Hunger, please visit www.sdhunger.org/state-of-hunger or contact Joe Shumate, Director of Communications, at joseph@sdhunger.org or 619.501.7917 ext. 106.

*A recording will be available shortly following the webinar. A link to a DropBox download will be emailed to media contacts. **Please confirm your attendance with Joe Shumate to ensure receipt of the video link.***

A full press release will follow prior to the event with a preview of info and data that will be presented.

Interviews with hunger relief experts are available. Please contact Joe Shumate to coordinate.
